## Minutes

### Committee Updates

- Involvement
  - increase identification of UA members within living groups (sending emails explaining the UA, signs on their door and QR code to comprehensive feedback form) and would be opt-in → timeline is week after Spring Break
  - Comment boxes across campus event on the 2nd
    - Active vs. passive feedback collection

- Responding back to feedback given, potentially direct email response or
- Innovation
  - For a year now, thinking about developing a quiet prayer/meditation space. Working with Chaplain. Space for all people of all beliefs to come together and be in peace together. Can manifest in whatever form people want. 50-305; currently tap access to UA Innovation as it is set up. Will be opened April 23rd. Put together survey with Spiritual Education/Religious Life office. Mostly undergraduate feedback.

#### Shuttle Feedback

- Write piece in *The Tech*
- Meeting tomorrow at 9AM
- Seriously ludicrous! Still issues with how we treat personnel (drivers), no driver accountability/reward system, online/offline unclear, predicted times still off

#### TechMart Feedback

- Cooking classes! Budget needs to come from somewhere else now, so should we still continue this type of programming?
- Lack of advertisement since Rebecca's is no longer doing it. Price comparison -- how at-cost is TechMart? We will look into this.
- Primarily EC and grad students visiting TechMart. New House/MacG will walk to Trader Joe's. Discuss other sources of buying food.
- Potentially issue is with Rebecca's cost of bowls
- What if we subsidized Amazon Fresh? Would also be convenient
