Hi Undergrads,

Welcome back! We hope you had a great summer, and that you're enjoying your classes.

The Byte is a weekly newsletter sent out by the MIT Undergraduate Association with announcements, updates, and events pertaining to undergraduates at MIT.

The UA works to improve your undergraduate experience through policy, projects, and events. Our office is located at W20-401 and is open 9am - 5pm Monday - Friday. Feel free to stop by, grab a snack, or relax on our comfy couches in between classes.

[Applications](#) to join the UA are now open! You can find more information about our committees at [ua.mit.edu](http://ua.mit.edu).
